Aint so bad when I think about it
I can get through this
Life aint so hard with you not around, yeah
I think I'll make it on through

Oh yes I miss the company
And then my friends remind me you aint who I need it
from
I'll bet there's plenty more

I'm feeling free and so happy
I'm realizing I've survived to fight another day
Another day

Chorus:
Like the morning sun
I'm rising up
I'm a new day
All the dark is gone
I'm surviving oh
It's a new day

All time that heals this broken heart well
Yeah I feel good again
In-spite of what you've done
I still believe in loving, a little romancing

Well, I don't need your sympathy
I'm over how you did me
Can't come crawling back no no
You left this so sick on

I'm feeling free and so happy
I'm realizing I survived to fight another day
I'm ready, come get me

Chorus:3x
Like the morning sun
I'm rising up
I'm a new day
All the dark is gone

I'm surviving oh
It's a new day
