I, I lie here still
I cannot move
Yet I dream of the one thing
That you took away from me

You, you did me wrong
You caused me pain
Pain you'll never know
Until you see your life flash before your eyes

I'm coming back to let you know
I'm coming back to let you go
I'm coming back so you will know
I'm coming back to let you go

You, you'll never know
You can only guess
What goes on
Inside my heart and inside my head

I'm coming back to let you know
I'm coming back to let you go
I'm coming back so you will know
I'm coming back to let you

I'm coming back to let you know
I'm coming back to let you go
I'm coming back so you will know
I'm coming back to let you go

You took from me the one thing
That made my life complete
I have no choice

I'm coming back
I'm coming back
I'm coming back
I'm coming back to let you
I'm coming back to let you know
I'm coming back to let you go
I'm coming back so you will know
I'm coming back to let you go

You took from me
