On the train  
Three thousand miles  
I leave for you

On the tracks  
At the end of the line  
Waits my life  
Waits my life

I've been bidding my time  
Biding my time  
Waiting for you

Oh, Emily  
What have we learned from this?  
Stay with those we love  
And forget the rest

On the train  
I fall asleep  
I think of you

On the tracks  
At the end of the line  
Waits my life  
Waits my life

I've been bidding my time  
Biding my time  
Waiting for you

Oh, Emily  
What have we learned from this?  
Stay with those we love  
And forget the rest

Oh, Emily  
I've been wrong before, you know  
This time I'm for sure

I've been bidding my time  
Biding my time

I've been biding my time  
Waiting for you

Oh, Emily  
What have we learned from this?  
Stay with those we love  
And forget the rest

Oh, Emily  
I've been wrong before, you know  
This time I'm for sure
