As you fall asleep  
I forget our last  
But you don't know what I mean  
When I say, "I'm tired of you."

I've been thinking about  
How we all have changed  
And I've been thinking about you too  
And how you stayed the same

When I  
When I  
When I'm with you

I know you're wondering  
I know you're wondering  
I know you're wondering

I've been walking around  
Around  
Around  
And you are no where to be found  
Be found  
Be found

And I've been so uptight  
Something's got to give

When I  
When I  
When I'm with you

I know you're wondering  
I know you're wondering  
I know you're wondering

I'll fight everyone in this room  
If I have to  
Just to prove to you I do

When I  
When I

When I  
When I  
When I'm with you

I know you're wondering
