It's just my Joseph's Coat
When I wear it out
Everyone takes note
And I lose all doubt

Hey, there's Joseph's Coat
It has so many colors
I don't mean to gloat
But it's like none other

I need (Oooooo) you to
I need (Oooooo) you to

It's just my Joseph's Coat
When I wear it out
Everyone takes note
And I lose all doubt

Hey, there's Joseph's Coat
It has so many colors
I don't mean to gloat
But it's like none other

I need (Oooooo) you to
I need (Oooooo) you to
I need (Oooooo) you to
I need (Oooooo) you to
