As you fall asleep
I forget our last
But you don't know what I mean
When I say, "I'm tired of you."

I've been thinking about
How we all have changed
And I've been thinking about you too
And how you stayed the same

When I
When I
When I'm with you

I know you're wondering
I know you're wondering
I know you're wondering

I've been walking around
Around
Around
And you are no where to be found
Be found
Be found

And I've been so uptight
Something's got to give

When I
When I
When I'm with you

I know you're wondering
I know you're wondering
I know you're wondering

I'll fight everyone in this room
If I have to
Just to prove to you I do

When I
When I

When I
When I
When I'm with you

I know you're wondering
