[Verse 1]

Now what's the word, I'm the word on the street. People
on the block is havin partys, something to love but then
you just can't get it tryna hide some place where you
kick it.

[Chorus]

To All My Friendz in the hood keep their headstrong For
All My Friendz clear your head we know what's going on
And All My Friendz keep a smile no matter what's
wrong. That's the way we gonna make it
To All My Friendz dust your shoulders off when it's
tough For All My Friendz have fun no matter what's
wrong and All My Friends looking back on how far they
come That's the way we gonna make it.
