my girl wants to
party all the day
party all the day
party all the time

my girl wants to
party all the day
party all the day
party all the time

my girl wants to
party all the day
party all the day
party all the time

my girl wants to
party all the day
party all the day
party all the time

my girl wants to
party all the day
party all the day
party all the time

my girl wants to
party all the day
party all the day
party all the time
