Is there any way that I could stay in your arms?  
Is there any way that I could stay in your arms?  
Is there any way that I could stay in your arms?  
Is there any way that I could stay in your arms?

Girl is it not enough  
That you took my heart  
That you took my life  
That you took my love  
Just some kind of boy  
Just some kind of girl  
Just some kind of song around the world  
You give it to me  
And I give it away  
And I wish I was back where I belong  
Just some kind of girl  
Or some kind of boy  
Thought that you were the one, the one...

If you're not the one I don't know who is  
We've only gained words, I have knew love since  
If you're not the one, I don't know who is  
We've only gained words, I have knew love since

Is there any way that I could stay in your arms?  
Is there any way that I could stay in your arms?  
Is there any way that I could stay in your arms?  
Is there any way that I could stay in your arms?

Girl is it not enough  
That you took my heart  
That you took my life  
That you took my love  
Just some kind of boy  
Just some kind of girl  
Just some kind of song around the world  
You give it to me  
And I give it away  
And I wish I was back where I belong  
Just some kind of girl  
Or some kind of boy  
Thought that you were the one, the one...

If you're not the one I don't know who is  
We've only gained words, I have knew love since  
If you're not the one, I don't know who is  
We've only gained words, I have knew love since

Teach me the way to love again  
I've fallen away but I'm back again  
I said the words to make you leave  
Please forgive me girl and come back to me, to me...

Is there any way that I could stay in your arms?  
Is there any way that I could stay in your arms?  
Is there any way that I could stay in your arms?  
Is there any way that I could stay in your arms?
