Now Iâ'm not listening to you baby
My gushy way to good to leave me
I got a few things on my mind
So take a sit and just unwind

When ya home boys leave
I'm a have you on your knees
And tear ya clothes apart
But before I start, Iâ'll rip out your frozen heart!

Chorus

Your not gonna break break my break break my heart.
Your not gonna break break my break break my heart.
Your not gonna break break my break break my heart.
Your not gonna break break my break break my heart.

Woah Woah
