Any other night, you woulda been somewhere with your friends

Any other night, you'd a had things to do, ooh

Any other night, I woulda been home alone in my bed

Any other night, I would wanna see you

Boy you picked the wrong time

'Cause I got company

Boy you picked the wrong time

Yeah I got anotha nigga layin' up wit me

Boy you picked the wrong time

And it coulda been you but your too busy

Boy you picked the wrong time

What's a woman to do when she's feelin' lonely?

Any other night, I'd a had to page you more than once

Any other night, I'd a been waitin for your call, yeah

Any other night your too damn busy, for me

And any other night, it woulda been good but not tonight

Boy you picked the wrong time

'Cause I got company

Boy you picked the wrong time

And it woulda been you with me

Boy you picked the wrong time

Layin' in my bed, in my bed, in my bed

Boy you picked the wrong time

But what's a shorty to do when she's feelin' lonely?

Don't be surprised boy, you shoulda known that I

Would not just keep on chasing you around

I called you 'cause I wanted to see you but you said

That you were too busy, so I found someone else

Boy you picked the wrong time

Boy you picked a fine time, to show up

Boy you picked the wrong time

Did you get my 2-way, you didn't answer your phone at home

Boy you picked the wrong time

No, yeah

Boy you picked the wrong time  
Whats a girl to do?

Any other night, it woulda been coo to chill wit ree  
And any other night, you coulda been makin' love to  
me  
But not tonight, it's his night, it's his night  
And any other night, woulda been your night

Boy you picked the wrong time  
Boy you picked the wrong time  
Boy you picked the wrong time
