Well, the sun burned hot, it burned my eyes  
Burned so hot I thought I'd died  
Thought I'd died and gone to hell  
Looking for the water from a deeper well

Well, I went to the river but the river was dry  
I fell to my knees and I looked to the sky  
Looked to the sky and the Spring rain fell  
I drank the water from a deeper well  
Well, well, well, well  
I drank the water from a deeper well, alright

Well, I fell in love like a baby child  
I fell for a touch and I fell for a smile  
Smile turned bitter and her touch turned cold  
I could not keep what I could not hold

So, I ran with the moon and I ran with the night  
And the three of us made a terrible sight  
Whored and we gambled with the money we'd steal  
Looking for the water from a deeper well  
Well, well, well, well  
Looking for the water from a deeper well

Well, the moon got weak and he soon was gone  
And the night got sick and he died with the dawn  
Died with the dawn with a drink in his hand  
Too sick to walk, too drunk to stand

Well, time stood still but I ran wild  
And I got my fill with a crooked smile  
Woke up on the floor of a jailhouse cell  
Looking for the water from a deeper well  
Well, well, well, well  
I drank the water from a deeper well

Well, the sun burned hot, it burned my eyes  
Burned so hot I thought I'd died  
Thought I'd died and gone to hell  
Looking for the water from a deeper well

Well, I went to the river but the river was dry

And I fell to my knees and I looked to the sky  
Looked to the sky and the Spring rain fell  
I drank the water from a deeper well  
Well, well, well, well  
I drank the water from a deeper well
