No one escaped easy left
No one is losing sleeping
A love across the seat
Someone escaped getting a bus
Getting the truth flat leaving a "noches" hard as can be

Love, love is here
Love, love in a desert lives

Taking a right, blessing the fog
One, two things I want to know about you
Ease, peace, raiding high
Going offside, somersaulting like I'm...
Well, used to it.

Love, love is or was
Love, love is or was

Backing vocals:
You get it, you get it, you get it, you get it
You want it, you want it, you want it, you want it...
