"Tequila"

Twenty third and I'm blowing cheques that I don't occur
Bleedin', bleedin'
Don't bleed too high, it causes coza
Don't wanna thank
Bleed, bleed, get goin' on
High in the sunshine
I don't know bingo. It takes tequila

Taste, given after taste
Hypnotized trombone
Fill that up with air

It takes dumb, you know it takes dumb...
It takes a dumb year to get off tequila
You know it takes a dumb year to get off
Twenty third and I'm blowing cheques that I don't occur
Bleedin', bleedin'
Don't bleed too high, it causes coza
Don't wanna thank

Taste, given after taste
Hypnotized trombone
Fill that up with air
Do you know why? Fill that up with air
