Wake up, you bunny bums  
Wide awake you bunny bums  
Wake up, it's a lovely day

I got strong arms and a body to fight  
who's accused of love equals?  
And a bloody Mary is safe tonight 'cos she played with  
love before.  
Got a band and the plague and black black feet  
I can see this time it's co co coming  
This time, yeah this time

Wake up, without any make up

I got strong feet few steps I got it  
Push shook a tube  
With a pair of smiles it's safe tonight and then things  
got more confused  
I got nothing but a square butt and black black feet  
I can see this time it's co co coming  
This time yeah this time

Wake up without any make up

Come on, it's out there somewhere  
Come on, it's out there
