Ooh, ooh...

I need a love that grows  
I don't want it unless I know  
With each passing hour  
Someone, somehow  
Will be there ready to share

I need a love that's strong  
I'm so tired of being alone  
But will my lonely heart  
Play the part of a fool again  
Before I begin

Foolish heart  
Hear me calling  
Stop before  
You start falling

Foolish heart  
Heed my warning  
You've been wrong before  
Don't be wrong anymore, ohh

Baby boy

I'm feeling that feeling again  
And I'm playing the game  
I can't seem to win

Love's knocking on the door  
Of my heart once more  
Think I'll let him in  
Before I begin

I need, I need a love  
That's strong (I need it)  
I'm so tired of being alone  
But will my lonely heart  
Play the part of a fool again  
Before I begin

Foolish heart (foolish heart)  
Hear me calling (hear me calling)  
Stop before  
(Stop before you start falling)  
You start falling

Foolish heart  
Heed my warning  
You've been wrong before, ohh

Foolish heart (foolish heart)  
Hear me calling  
(Hear me calling, calling)  
Stop before  
(Stop before you start falling)  
You start falling

Foolish heart  
Heed my warning  
(Heed my warning)  
You've been wrong before  
(You've been wrong)  
(You've been wrong)

Foolish heart  
Foolish, foolish heart, ohh  
You've been wrong before  
And I can't take anymore

Foolish heart  
(No, no, no, no...)  
Hear me calling  
Stop before  
You start falling

Foolish heart (foolish heart)  
Heed my warning  
(Heed my warning)  
You've been wrong before  
(You've been wrong before)

Foolish heart  
(Foolish, foolish, foolish  
(Foolish, foolish, foolish heart)  
You've been wrong before

Foolish heart  
Please don't hurt me  
Don't hurt me
