Mount everest, I'll climb it  
No problem, just say when  
Mississippi, I'll swim it  
Down ot the delta and back again  
If you love somebody  
It ain't that hard  
If you love somebody  
To go that far  
Well, there ain't no limit to the things you do  
If you love somebody  
The way that I do you  
Get a ladder, a cheap guitar  
And serenade you under the stars  
Scream and shout, make a scene  
Tell the whole world you're the girl of my dreams  
If you love somebody  
That's what you do  
If you love somebody  
And your love is true  
You don't think twice about being a fool  
If you love somebody  
The way that I do you  
Send me down the river with my soul on fire  
The thought of you makes the weight of this world  
Seem a little bit lighter  
If you love somebody, if you love somebody  
Ooh, send me down the river with my soul on fire  
The thought of you makes the weight of this world  
Seem a little bit lighter  
Taking me higher, higher  
If you love somebody  
You do anything  
If you love somebody  
You jump up and sing  
Well, there ain't no limit to the things you do  
If you love somebody  
The way that I do you  
If you love somebody  
That's what you do  
If you love somebody  
And your love is true  
Well, there ain't no limit to the things you do

If you love somebody  
The way that I do you
