When it comes to love IÃ, 've had my doubts
But when you walked in my heart checked out
And like a schoolboy crush
I knew it when we touched
IÃ, 'm already loving you too much
Mind and body, heart and soul
You came in and took control
And, oh what a rush
This is powerful stuff
IÃ, 'm already loving you too much
Too much, IÃ, 'm already falling too fast
Too much, itÃ, 's too late for me to turn back
I canÃ, 't stop this love that weÃ, 've started
Too much, IÃ, 'm already falling too fast
Too much, itÃ, 's too late for me to turn back
I canÃ, 't stop this love that weÃ, 've started
Who knows where IÃ, 'll go from here
IÃ, 'm too far gone to see it clear
So my heart - IÃ, 'll have to trust
And hope that itÃ, 's enough
'Cause IÃ, 'm already loving you

There's nothing left for me to do

I'm already loving you too much

Already loving you too much
