I don't wanna stay here but I can't leave
I'm in the spell of the magic you weave
Somebody wake me up
I wish I could break it up

But I can't shake loose, can't shake loose
I can't shake loose, can't shake loose
Any move I'll make in the end I will lose

I can't shake loose
I try and I try but it ain't no use
I could go like I did before
But these old shoes keep walking to your door

I wanna hide but when I hear you call
I turn around, I know I would fall
One step people shake
No matter what move I make

'Cause I can't shake loose, can't shake loose
I can't shake loose, can't shake loose
Any move I'll make in the end I will lose

I can't shake loose
I try and try but it ain't no use
I could go like I did before
But these old shoes keep walking to your door

I don't wanna stay here, but you know I can't leave
Please let me go dear, please let me leave
I can't shake loose, I can't shake loose
I can't shake loose, can't shake loose
Any move I'll make in the end I will lose

I can't shake loose
I try and I try but it ain't no use
I could go like I did before
But these old shoes keep walking

I can't shake loose, oh
I can't shake loose
I try and try, but it ain't no use

I could go like I did before
But these old shoes keep walking to the door

I can't shake loose
No, I can't shake loose, I can't shake loose
I can't shake loose, I can't shake loose
No, I can't shake loose, I can't shake loose
I can't shake loose
