(Agnetha Fältskog / Björn Ulvaeus)

Changing, moving, in a circle  
I can see your face in all of my dreams.  
Smiling, laughing, from the shadows  
When I hear your voice I know what it means.

I know it doesn't matter just how hard I try  
You're all the reason for my life,  
Disillusion, disillusion's all you left for me.  
How can I forget you when my world is breaking down?  
You're all I had, you're all I want,  
Disillusion, disillusions now, that's all I have.

Wishing, hoping, chasing shadows  
Did I see your face somewhere in the crowd?  
Thinking, wondering, what you're doing  
I can't stop myself from crying out loud.

They say my wound will heal and only leave a scar  
But then, they'd never shared our love  
Disillusion, disillusion's all you left for me.

How can I forget you when my world is breaking down?  
You're all I had, you're all I want,  
Disillusion, disillusions now, that's all I have.

Disillusion, disillusions now, that's all I have...
