(Russ Ballard)

It feels so good to be by your side  
Oh, darling let me be your guide  
From tonight let's stay together.  
There's a blue moon up in the sky  
Tonight, it's there for you and I  
Darling, let my love surround you  
Oh, but I'm so glad I found you.

Chorus:

I wish tonight could last forever  
Oh, darling can we stay together?  
From now on let's vow we'll never part  
'Cos darling that will break my heart  
And when the light brings tomorrow  
Oh, darling, will it bring me sorrow,  
Will you let me hold you in this way?  
Oh, I wish tonight could last forever.

Tonight I feel it in the air  
Just look around it's everywhere  
Who knows where the night will lead us?  
Oh, it feels so good to hold you tight  
Hold you close without a soul in sight  
We came together without warning  
And stayed together 'til the morning.

Chorus

Oh, it feels so good to hold you tight  
To hold you close without a soul in sight  
Came together without warning  
And stayed together til the morning.

Chorus

Oh, I wish tonight could last forever.
