I will bring you flowers in the morning  
Wild roses as the sun begins to shine  
Sweet parfume in tiny jewel cascots  
If I thought you?d ever change your mind

I would take you where the music?s sweetest  
And feed you into fruits and summer wine  
Show you things you?ve only read in storybooks  
If I thought you?d ever change your mind

I would bring you hapiness  
Wrapped up in a box and tied with a yellow bow  
I would bring you summer-rain and rainbow-skyes  
to make your garden grow  
And in the winter snow  
my suns will keep you from the cold

What would use of flowers in the morning  
When the garden they shall grow in is not mine  
And what use is sunshine if I?m crying  
And my falling tears are mingled with the wine

I would bring you hapiness  
Wrapped up in a box and tied with a yellow bow  
I Would bring you rainbow-skyes and summer-rain  
to make your garden grow  
And in the winter snow  
my suns will keep you from the cold

I would bring you flowers in the morning  
Wild roses when the sun begins to shine  
Winter fruits and summer wine  
sweet parfume and colored dine  
If I thoutg you?d ever change your miiind  
If I thoutg you?d ever change your  
mind...aiaiaiaiaiaiaiaiaiaiaiaiaiaiaiaind
