From the soundtrack for the movie P & B

It's so nice to be rich, rich, rich, rich...
Young, smart, handsome, and rich, rich, rich, rich...
To dress up in the mink again
And swim in the pink champagne,
Oh how I loathe old age, stupidity, and hunger,
I prefer to be full, cleverer, and younger,
Oh you old dumb bum in the ditch, snitch, snitch...
And get rich, rich, rich, rich...
Get rich, rich, rich, rich...
(REPEAT)

Mmm, get rich, rich, rich, rich...
