(Susan Lynch / Larry Whitman)

Now I made up my mind  
But it's never too late,  
You can turn the tide in any conversation  
You sway me when you say it that way  
Oh, I imagine whatever you say.

They call you Mr. Persuasion,  
'Cos you can talk me up and down  
And all you do is tell me that,  
That's cos' you're Mr. Persuasion,  
That's cos' you're Mr. Persuasion.

Now when you're on a roll  
You're a real romancer,  
You got all the questions and all the answers  
You sway me when you say it that way  
Oh, I imagine whatever you say.

They call you Mr. Persuasion,  
'Cos you can talk me up and down  
And all you do is tell me that,  
That's cos' you're Mr. Persuasion,  
That's cos' you're Mr. Persuasion.  
Now you could talk me into  
Almost anything you want to,  
'Cos you're Mr. Persuasion  
You'd convince me day was night  
You're never wrong, you're always so right.

Well I got a mind  
But I put it on vacation,  
That's 'cos you're Mr. Persuasion,  
Oh, how you sway me when you say it that way  
Ohh, I imagine whatever you say.

They call you Mr. Persuasion  
'Cos you can talk me up and down  
And all you do is tell me that  
(That's 'cos you're Mr. Persuasion)  
All you do is tell me that

(That's 'cos you're Mr. Persuasion)  
All you do is tell me that...
