EVERYTIME...

I can feel a new expression on my face  
I can feel a glowing sensation taking place  
I can hear the guitar playin' lovely tunes  
Every time that you walk in the room

I close my eyes for a second and pretend it's me you  
want

Meanwhile I try to act so nonchalant  
I feel a summer's night with a magic moon  
Every time that you walk in the room

Baby it's a dream come true (dream come true)

Standin' right alongside of you  
Wish I could show you how much I care  
But I only have the nerve to stand and stare  
I can feel a something pounding in my brain  
Just anytime that someone speaks your name  
Oh, the trumpets sounds and I hear thunder boom  
Every time that you walk in the room  
Every time that you walk in the room  
Every time that you walk in the room
