Wrap your arms around me. -  
When you're so far away at the end of each day

Counting the moments till you fade away.  
Inside my soul under passions control  
Are feelings I can't find no words to explain

Just like the first time I'm helpless again.  
Wrap your arms around me  
let your love surround me.  
Make love to me now like never before.  
Wrap your arms around me  
from the day you found me

You'll never be alone.

The nights are so cold

with just your mem'ry to hold.  
I've tried to be strong  
reaching out holding on.  
Alone in my bed I cling to each word you said

Wanting you more ev'ry day we're apart

And each precious moment is safe in my heart.

Wrap your arms around me  
let your love surround me. . . .  
Just like the first time I'm helpless again.  
Wrap your arms around me  
let your love surround me. . . .  
Wrap your arms around me  
you'll never be alone.
