I brought to you my heart
Stained by the guilt of sin
You took this broken life
And made it whole again
Then your spirit came
And all my hope renewed
And I fell at your feet
And there I promised you

That I'm completely yours
The rest of all my days
And this eternal debt
Can never be repaid
So I give to you my all
Though it may seem small
You are all I need
And I will always be
Completely yours

Like David long ago
Whose heart was after you
This is my one desire
As daily I pursue
To know you more and more
Till I'm completely changed
May the life I live
Bring honor to your name

For I'm completely yours
The rest of all my days
And this eternal debt
Can never be repaid
So I give to you my all
Though it may seem small
You are all I need
And I will always be

Completely yours
For the rest of my days
And this eternal debt
Can never, never be repaid

So I give to you my all
Though it may seem small
You are all I need
And I will always be
Completely yours
