The Moon is bright
On a saturday night
And I've Got no where to go
But I'm feelin' fine
'Cause the night is mine
And it's alright even though
I could be hangin' around
Out on the town
Tryin' to find a thrill
Oh, but I'm here with you
So I'm goin' to let you know how I feel

Oh, There's No place I'd rather be
Oh, There's No place I'd rather be
Oh, There's No place I'd rather be
Than the place where I'm with you
And you're with me

Well, it won't be long
'Til tonight is gone
So I won't waste any time
I'm an open book come and take a look
And you can see what's inside
oh, it's no song and dance
A fleeting romance
Tell me you know it's true
I gotta ??? I'm stayin right here
To let you know I need you

Oh, There's No place I'd rather be
Oh, There's No place I'd rather be
Oh, There's No place I'd rather be
Than the place where I'm with you
And you're with me

I can't imagine life without you
That's why I need for you to see

Oh, There's no place I'd rather be
Oh, There's no place I'd rather be
Oh, There's no place I'd rather be

Than the place where I'm with you
And you're with me
