No mountains ever moved one inch at my command.  
No waters parted at my feet.  
Iâ€™m just a witness to the wonders God can do  
Through willing instruments like me.  
And when my best seems insignificant and frail  
He offers me  
The source of strength  
That cannot fail...

Chorus

Power, straight from the Father  
Making me stronger  
And I know itâ€™s not my own.  
Power, straight from the Father  
Love like no other  
Iâ€™ve ever known.

There are days when circumstances spin out of control  
In ways I just canâ€™t understand.  
Itâ€™s as if the best of my intentions have conspired  
To reveal how powerless I am.  
But there is One whose voice alone  
Brings me peace  
And when on high  
He hears my cry  
He gives to me.

This holy energy can save, redeem and heal  
Like electricity, it flows through me  
And I can feel...
