Verse 1:

It stands to reason that a name is just a word
It can be easily forgotten as soon as it is heard
But one name was spoken before the world's first day
And it will be here when everything that is has passed
away

Chorus:

Delivered from the lips of God
To Mary's ears on angel wings
Jesus, Jesus
The word that came to life for us
The song that all creation sings
Jesus, Oh Jesus
The proudest nations of the earth have come and gone
But Jesus, the name lives on

Verse 2:

When I'm awakened by terrifying dream
And desperation reaches out and clutches me
When I'm so afraid
that I don't even know what to pray
I simply speak it and I feel it
And it chases fear away

Chorus

Eternal hope and promise
The ever-breaking dawn
When time itself is over
The name lives on

Chorus
