Something here
Something is cold and you know
To speak now is to lie
Sad mistake
Maybe it's mine but I know
You wake up with strangers
Is this love
If I said goodbye there would be
No-one to listen
I could ask
'How do you feel' but I know
You breathe in emotion
So goodbye
I can't play anymore
So goodbye
I'm off the friendship line
So goodbye
I'm breathing emotion
Like some hero
I breathe in emotion
I could cry
'Nothing is wrong' but you know
I don't believe it
I could write words on a page but I know
Love doesn't live here
Look at me
Look at my eyes and you'll know
Everything's over
This is me
This is my heart and you know
I breathe in emotion
So goodbye
I can't play anymore
So goodbye
I'm off the friendship line
So goodbye
I'm breathing emotion
Like some hero
I breathe in emotion
