## VERSE I

Baby  
Don't cry  
You see her  
With a new guy  
You never knew  
This would come to you  
The day you'd see  
You were wrong to leave, boy

## VERSE II

Baby  
Go slow  
This moment  
Is so you'll grow  
If you just try  
To ease your mind  
Then you will find  
It'll come  
In time... boy

## CHORUS

BABY  
Don't you cry  
Lift your heart  
To the sky  
I will surround you  
With my love  
I will surround you  
Don't give up  
No... no...

Don't you cry  
Don't you cry...
