VERSE I

Before, I used to dream away
But now you are my fantasy come true
'Cause when my eyes are open wide— I'm risin'
(ahhh...)

You take me to a brighter place
And that is why a smile lay on my face
I'm glowin' like the sun today— yeah, I'm shinin'
(ahh...)

PRE-CHORUS

And I never ever felt like this before
How a love could make me want it even more
Come and let your waters go and hit my shore
'Cause I like it

CHORUS

You're like an ENDLESS SUMMER
'Cause you go on forever
I'll make a sweet surrender
Please don't stop (please don't stop)
I want your love around me
Because your love astounds me
So, be my ENDLESS SUMMER
Please don't stop (please don't stop)

VERSE II

Before, I used to feel the rain
But now, it's just a memory on my skin
You touch me with your ray of light— and I like it
(ahhh...)
You take me to a brighter place
And that is why a smile lay on my face
I'm glowing like the sun today— yeah, I'm shinin'
(ahh...)
