Verse

My friends think I can have anyone I want
But it's not true
I must admit that I thought just the same
'Til I met you

Verse II

You have been a challenge in every way
That's what I like
And I will live each dying day
Until you're mine

Pre-Chorus

Everyone wants this
But you never let it show
You've got me wonderin'
But boy, I think I should know
Do you want me?

Chorus

You're so Hard to Get
You are the only one I can't forget
You've got me wonderin' since the day
We met

You're so Hard to Get
You're so Hard to Get
You are the only one I can't forget
You've kept me guessin' since the day
We met

You're so Hard to Get

Verse III

We all know love's a game so
All you guys
You can't forget
There is only one game I like to play
It's Hard to Get

Verse IV

The only guy I find so hard to beat
My love, it's you
'Cause desire was a foreign word to me
I never knew

Pre-Chorus II

The only thing that I knew
Was everyone wanted this
Love is a target

But with you, I always miss
Do you want me?
