VERSE I

I hardly knew him before
I only seen him afar
But I knew I loved him

VERSE II

He always watched out for me
He always cared about me
And I knew he loved me

PRE-CHORUS

And suddenly, I was sure
I felt so safe and secure
Like nothing in this world could touch me
And suddenly, I knew love
It fell down straight from above
And that is why they say I'm lucky 'cause...

CHORUS

HE
Loves me
Even when
My whole world falls down
That's why I'm never broken
HE
Loves me
Even when
No one stays around
That's why I'm never lonely

He...
Shows me all this light when my heart can't see... yeah
(ohhh...)
He...
Shows me it's alright when my soul can't breathe...
That's why I'm never broken

HE... HE... HE... HE loves... HE loves me...
(REPEAT)

HE

Loves me even when
My whole world falls down
He
Loves me even when
No one stays around

I hardly knew him before
I only seen him afar
But I knew
I loved him...
