Gospel of Jah, I'm gonna preach the Gospel of Jah  
I'm not ashamed of the Gospel of Jah  
I'm gonna preach the Gospel of Jah... (2X)

I'm not ashamed of the Gospel of Jah, I'm gonna  
preach the Gospel of Jah  
I'm not ashamed of the Gospel of Jah, I'm gonna  
preach the Gospel of Jah  
Before the Jews, I will preach  
Before the Gentiles, I will preach  
Before the Pharisees, I will preach  
Before the Sadducees, I will preach

(CHORUS)

I'm not ashamed of the Gospel of Jah, I'm gonna  
preach the Gospel of Jah  
I'm not ashamed of the Gospel of Jah, I'm gonna  
preach the Gospel of Jah  
Oh... mama eh, oh my mama stop crying  
Mama, mama, mama, mama stop crying  
Salvation is at your doorstep

For Jah so loved this world now, He gave His only  
begotten son  
That whosoever will beliveth in Him, should not perish  
but live longer  
Jah did not send His son to come, to come fi condemn  
this world  
But through Him this world might be saved, oh my  
children, hear me now  
Whosoever dare beliveth Him not, stands condemned  
already  
Whosoever will believeth in Jah, shall never dye but live  
as king

I'm not ashamed of the Gospel of Jah, I'm gonna  
preach the Gospel of Jah  
I'm not ashamed of the Gospel of Jah, I'm gonna  
preach the Gospel of Jah  
In America, I will preach  
In Africa, I will preach  
Down down down down inna India

Down down down down inna de Chinese land

#### CHORUS

Great men of Jah like Peter and Paul, Shadrach  
Meshach and Abednego  
Dem stood firm before the kings and proclaimed the  
Word of God  
Hallelujah be to the most high God for given me life to  
live on earth  
I'm not ashamed of the Gospel of Jah  
Hallelujah be to the most high God for given me  
strength to praise His name  
I'm gonna preach the Gospel of Jah

I'm not ashamed of the Gospel of Jah, I'm gonna  
preach the Gospel of Jah  
I'm not ashamed of the Gospel of Jah, I'm gonna  
preach the Gospel of Jah  
Before the presidents, I will preach  
Before the ministers, I will preach  
Before the slums inna de whole wide world  
Before the rich men, I will preach
