(CHORUS)

Am going to my promised land, would you like to come  
with me

Am going to my promised land, won't you love to come  
with me

Am going to my promised land, (Sensei Melvin Brown)  
Won't you like to come with me

Am going to my promised land, (Nicoleta)  
Won't you love to come with me

Promised Land is not Australia, Promised Land is not  
Europa

Promised Land is not America; Promised Land is a  
state of mind

I say the Promised Land is not the Philippines, Promised  
Land is not Bahamas

Promised Land is not Colombia; Promised Land is a  
state of mind

Oh, oh, oh, eh!

CHORUS

What is this life if full of care

No time to stand and no time to stare

I say no time to stand in broad day light

And stare as long as sheep or cows

The days are coming when Jah will send a famine  
through the land

Not a famine of food nor thirst for water

But a famine of hearing the words of the most high  
God

The harvest is plentiful, but the workers are few

Wuoh woh, men will stager from sea to sea

And wander from the North to the East

Searching for the Word of the most high God, oh gosh

I say people will travel round all over the whole wide  
world

Searching for the truth, but they will never find it

Cos the Promised Land is not in Africa, Promised Land  
is not Jamaica

Promised Land is not America; Promised Land is a  
state of mind  
Promised Land is not in India; Promised Land is not in  
Russia  
Promised Land is not Japan; Promised Land is a state of  
mind  
Oh, oh, oh, eh!

#### CHORUS

Promised land, Promised Land, Promised Land  
Promised Land is a state of mind  
Promised land, Promised Land, Promised Land  
Promised Land is a state of mind  
I say the Promised Land I'm talking about is not  
situated on Earth, yeah woah  
Promised Land is a state of mind
