Visit "[Shame Politicians](#)" on MotoLyrics.com

Politicians are destroying the world  
Destroying our planet Earth  
Destroying the ozone layer with dem weapons of mass  
destruction  
Making the Earth a very hot place to live in  
Hotter than Mercury, the planet closer to the sun, eh!  
Shame on you guys, shame on you guys  
Shame on you guys, shame on you guys  
Politicians, shame on you

I see evil in your eyes, rebel leader  
I see evil in your eyes oh Mr. President  
I see evil in your eyes oh politician  
Anytime I see you on television  
I see evil in your eyes oh politician

I don't fear who, I don't fear who there  
I don't fear who, I don't fear who there  
But I just don't want to mention names  
Cos I know some evil ones there, killing innocent  
women and children, I say  
Saying it's the benefit of the nation dem live in  
But I know it's the cause of dem own selfishness, I say  
Eh! Shame on you guys, shame on you guys  
Shame on you guys, shame on you guys politician

Holy Spirit dwells on you Mandela... (2x)

Wuoh wuoh Nelson Mandela  
Holy Spirit dwells on you, cos you're truly a man of Jah,  
I say  
If all politicians inna de whole wide world  
Were to be like Nelson Mandela  
There would have been peace and stability all over the  
whole wide world  
Nelson Mandela, I know a place is been prepared for  
you in Paradise  
You going to wine and dine with the Saints and Angels  
and Apostles of His Majesty  
Oh mama... ! Not forgotten the former president of  
Tanzania  
Julius Nyerere, may your soul rest in peace

Oh Julius Nyerere.  
Shame unto you politician  
You causing havoc inna de whole wide world  
Fighting for the presidential seat  
Killing innocent women and children for no good  
reason at all  
Just because you wanna be the president for your own  
interest  
Shame, shame, shame unto you Politicians  
Stop fighting for your own interest  
Think about the people who vote for you into power  
Don't you reject the cries of wants, I say  
Shame unto you politicians

I don't fear who, I don't fear who there  
You can kill me with your AK47, I am speaking the truth  
And the truth shall set me free, I say  
I don't fear who can kill the body and cannot kill the  
Spirit  
Politician stand firm, cos your time is near  
You destroying Jah Jah creation
