Yes, I was born and baptized and had my first
communion
And confirmed in the Catholic Church
And I believe that the chanting of the Rosary everyday
and night
Has really had a very great impact upon my life, y'know
because
I believe in the Divine Advocacy of Her Divine Majesty
The Queen of Queens, Queen of the Angels, Queen of
the Martyrs
Queen of Heaven, Queen of Paradise
Am talking about the Virgin of virgins
Mary, the Holy Immaculate Mother of God
Star of the sea, the Most Gracious Advocate
Who was in union with the Trinity from creation
Hallelujah!
