Why is the passion of man to destroy  
All that he sees all that will breath  
Burn out the world and choke on the ash  
Put out the eyes of the ones who will see

Blood on the page the cross I will bare  
Wounds of stigmata held high in the air  
This crown of sin that you pound in my skull  
The martyr the man my blood on your hands

I am the martyr  
I am the man  
You are the cross  
And faith is the nail

All hail the new faith  
All hail the new god  
All hail the dead Christ  
And crucify freedom

Man has made God to mold in his image  
Blocking the light  
And controlling the vision  
So open your mind and feast on the truth  
To read the betrayal of Christ

So much contempt burns in my eyes  
As I see you eat  
And swallow the lies  
Temptation is life  
And the sin is light  
Through the cracks  
In the sky they design  
Scriptures and words written by man  
In the guise of God and Christ  
Control the ultimate goal  
To hide the freedom of life  
Run and crush the world  
And crucify freedom

Revelation will always spill  
The blood of the weak

Tear apart the seems of the world  
And rip at the fabric of faith  
Praise the diseased  
As they bleed upon the cross  
Praise the diseased  
As it scream "I'm forsaken"
