All hail  
The dirge of the Christ  
His final mass of death  
And my last revelation

This is the dirge of the Christ  
The greatest mass of death  
Breathing requiem's last breath

Told from on high  
His final chapter's verse  
Bleeding from the chorus  
That I sing

All that is and ever was  
All that is shall never be  
Pull the scales from my eyes  
Reveal the path that is the lie  
All that ever was Made undone

Feasting on the week  
Has made you soft  
Their pail white skin  
This victimless rape

Paid for with blood  
So we can drink wine  
Setting the feast  
On the bitter dead

Snared in the game  
Vulgar and vicious  
Bighting at the hearts  
Of the ones we should love  
Faded former glories  
Of righteous wars won  
How quickly you would burn  
And steal away my trust

I am the dirge of the Christ  
My greatest requiem mass  
Forsaking your saviors

Rotting on their cross  
Betrayed by you all  
And all that He was

Powers pleasure and pain  
This mad empires reign  
Innocence and purity  
Twist to read like a sin  
What can poison a mind?  
Like powers sweet divide  
Feeding the wrong for right  
Eating the days light

I am the dirge of the Christ  
My greatest requiem mass  
Forsaking your saviors  
Rotting on their cross  
Betrayed by you all  
And all that He was
