Darkness descends  
The sweetest dreams made nightmare  
All that ever was made sacred  
Blasphemy's child  
Preaching words of malcontent  
Breeding a new way of being

Burning your gods  
Like flesh at the spike  
Branding your faith  
And showing the scars  
Bleeding dreams and weeping eyes  
Tears that wasted the taste  
Salt biting deep  
Like a nail in your cross

Touch  
Feel  
Love  
Hate  
Worship me

Burning your gods  
Like flesh at the spike  
Branding your faith  
And showing the scars  
Bleeding dreams and weeping eyes  
Tears that wasted the taste  
Salt biting deep  
Like a nail in your cross

Darkness descends  
And reason dies in the light  
Fools will swallow the blind  
And bleed for messiah  
Pulling the trigger so deadly  
Pulling the trigger so gently  
Choke on the blood of god  
Eat the war for salvation

Burning your gods  
Like flesh at the spike

Branding your faith  
And showing the scars  
Bleeding dreams and weeping eyes  
Tears that wasted the taste  
Salt biting deep  
My soul bleeds for you  
All of my faith  
Wasted on you  
All of your faith  
Wasted on me
