This narrow  
Narcissistic view  
Of how the world  
Revolves for you

Pandering to  
The servant's who slave  
To feed your swollen shell

Take it all in  
Drinking your shame  
The same bitter pill

Filling your cage  
With anger and words  
Still spiteful but bleeding gold

Stand beside  
And hiding behind  
I watch your jester rule

Laughing at love  
And I am ashamed your actions  
Weep deceit

Pretentious pretenders  
False heir's to the throne  
You could never earn  
Shallow graves  
And hollow passions  
From years of bitter abuse  
Idolater, Idolater  
I pull back your white face mask  
Clearing the smoke  
And breaking the mirrors  
Reveal your master is slave

Selfish defeat  
Your visions are twisted  
By scheming and impure thought

Terrified

By all of your failure  
Laid bare again and again

Flay the flesh  
From other bones  
To fill your empty defeat

Placing the scars  
On other skin  
Showing the world your wounds

Pretentious pretenders  
False heir's to the throne  
You could never earn  
Shallow graves  
And hollow passions  
From years of bitter abuse  
Idolater, Idolater  
I pull back your white face mask  
Clearing the smoke  
And breaking the mirrors  
Reveal your master is slave

Hiding in corners  
Afraid of the light  
That shows your vulgar lie  
Nothing can love you  
And nothing can heal you  
Poisoned by your ego
