I don't know what it's all about  
But I feel I'll soon find out, I'm sure, never felt this  
secure  
It's nothin' like I ever thought it would be  
Someone opened up a door for me  
A girl like you (I'm in love with)  
A girl like you (I'm in love with)  
Must be you that could cause this feelin' in me (must be  
you)  
You that fills me confidently (must be you)  
You that brings the best out in me  
You... woh-oh-oh-oh-oh, nobody but you

I don't know what it's all about  
I can't begin to figure out what to do, so I leave it to you  
I only know that when you're away from me  
Nothin' satisfies the need in me  
For a girl like you (I'm in love with)  
A girl like you (I'm in love with)  
Must be you that could cause this feelin' in me (must be  
you)  
You that fills me confidently (must be you)  
You that brings the best out in me  
You... woh-oh-oh-oh-oh, nobody but you  
Nobody but you

Every time I'm holdin' you clo-ose to me  
Trouble's gone, it's gone, I'm in ecstasy-y  
With a gir-ir-irl (I'm in love with)  
A girl like you (I'm in love with)  
Ooh, yeah-eah (I'm in love with)  
A little girl like you (I'm in love with)  
Must be you-ou-ou (I'm in love with)  
Make me feel this way-ay (I'm in love with)  
Yay-yay-yay-hay, yay-yay-hay (I'm in love with)  
A girl like you (I'm in love with)  
Ooh, a girl like you (I'm in love with)  
A girl you you-ou (I'm in love with)
