Little things that you do make me glad I'm in love with
you
Like the way that you say let's go home
'Cause I want to be alone with you
Then we're finally together and it feels like it's forever
And that's when I know I can say this to you

Baby-baby-baby, make me crazy, with your lovin' (with
your lo-ovin')
Baby-baby-baby, make me crazy, with your lovin' (with
your lo-ovin')

Sometimes I leave home for a little while
But it seems like a year then I'm ba-ack from a
thousand miles
And it feels like I've always been here with you
Then we're finally together (finally together)
And it feels like it's forever (feels like forever)
And thats when I know I can say this to you

Baby-baby-baby, make me crazy, with your lovin' (with
your lo-ovin')
Baby-baby-baby, make me crazy, with your lovin' (with
your lo-ovin')
Mm, make me crazy

Mm, when we're finally together (finally together)
And feels like it's forever (feels like it's forever)
That's when I know I can say this to you-ou

Well, baby-baby-baby, make me crazy, with your lovin'
(with your lo-ovin')
Baby-baby-baby, make me crazy, with your lovin' (with
your lo-ovin')
C'mon, baby-baby-baby, make me crazy-y, with your lo-
ovin' (with your lo-ovin')
Baby-baby-baby, make me crazy-y, with your lo-ovin'
(with your lo-ovin')
With your love, baby, now make me crazy with your
lovin'
(Baby-baby-baby, make me crazy-y, with your lovin')

With your lovin' every ni-ight, with your lo-o-o-o-ove
(Baby-baby-baby, crazy with your lovin')
(Baby-baby-baby, crazy with your lovin')
