Do you believe in magic  
In a young girl's heart  
How the music can free her  
Whenever it starts

And it's magic if  
The music is groovy  
It makes you feel happy  
Like an old-time movie

I'll tell you about the magic  
And it'll free your soul  
But it's like trying to tell  
A stranger bout rock and roll

If you believe in magic  
Don't bother to choose  
If it's jug band music  
Or rhythm and blues

Just go and listen  
It'll start with a smile  
It won't wipe off your face  
No matter how hard you try

Your feet start tapping  
And you can't seem to find  
How you got there  
So just blow your mind

If you believe in magic  
Come along with me  
We'll dance until morning  
Til there's just you and me

And maybe  
If the music is right  
I'll meet you tomorrow  
Sort of late at night

And we'll go dancing  
Baby, then you'll see

How the magic's in the music  
And the music's in me  
Yeah, do you believe in magic

Yeah, believe in the magic  
Of a young girl's soul  
Believe in the magic of rock and roll  
Believe in the magic  
That can set you free  
Ohh, talking bout magic

Do you believe like I believe  
Do you believe in magic  
Do you believe like I believe  
Do you believe, believer  
Do you believe like I believe  
Do you believe in magic
