HEAVEN IN YOUR EYES

(Howard Greenfield/Michael Lloyd)

SHAUN CASSIDY - 1979

Magic touched my life

the moment that you smiled

the world began for me

you unlocked my heart and all

the feelings there

I never thought I could see

Heaven in your eyes

it's just too good to be true

heaven in your eyes

I've never been so high

heaven in your eyes

nobody does what you do

with just one look and

I can touch the sky

No more lonely nights

not since you came along

and filled these dreams of mine

you chased away the clouds

and kissed away my tears
and told the sun where to shine
Heaven in your eyes
it's just too good to be true
heaven in your eyes
I've never been so high
heaven in your eyes
nobody does what you do
with just one look and
I can touch the sky
