I'm gonna live forever  
I'm gonna cross that river  
I'm gonna catch tomorrow now

You're gonna want to hold me  
Just like I always told you  
You're gonna miss me when I'm gone

Nobody here will ever find me  
But I will always be around  
Just like the songs I leave behind me  
I'm gonna live forever now

You fathers and you mothers  
Be good to one another  
Please try to raise your children right

Don't let the darkness take 'em  
Don't make 'em feel forsaken  
Just lead 'em safely to the light

When this old world is blown us under  
And all the stars fall from the sky  
Remember someone really loves you  
We'll live forever you and I

I'm gonna live forever  
I'm gonna cross that river  
I'm gonna catch tomorrow now

I'm gonna live forever  
I'm gonna cross that river  
I'm gonna catch tomorrow now

I'm gonna live forever  
I'm gonna cross that river  
I'm gonna catch tomorrow now
