Listen

Darling, you send me, darling, you send me, yeah
Darling, you send me, honest, you do
Honest you do, honest you do, see

At first I thought it was infatuation
But woah, it done lasted so long
And now I find myself wanting
To marry you and take you home

I know, I know, I know that you, you, you, you
You thrill me, yo, darling, you thrill me, yeah
Darling you, yes you, you thrill me
Honest you do, honest you do, honest you do girl

Woah, whenever I'm with you
Said, I know, I know, I know whenever I'm near you
Ooh, ooh honest you do, honest you do, woah

Said, "Woah, whenever you hold me
I know, I know whenever you kiss me, yeah
Ooh, oh, honest you do, honest you do, honest you do"

At first I thought it was infatuation
But woah, it done lasted so long
And now I find myself wanting
To marry you and take you home

Darling you send me
Darling you, girl, you send me, yeah
I tell you, you just you, you send me
Honest you do, honest you do, honest you do, woah

Honest you do, honest you do, honest you do, baby
Honest you do, honest you do, honest you do, woah
Honest you do, honest you do, honest you do, baby,
you send me
