(Verse 1)

If I have known you  
And I have touched you  
To find favour in your eyes  
Find favour in your sight  
Let it be  
To growing in you  
And trusting in you  
Accepting your grace  
Accepting your love  
I'm falling from your love  
If I'm falling let your grace find me  
And take me back to you  
May your spirit come consume  
Even though I don't deserve you  
That's what I want  
(Chorus)

Come quench this desire  
It's burning like a fire  
I wish to know you  
I wish to love you  
I wish you are my friend  
X2

(Verse 2)

I'm trying so hard  
I'm crying so loud  
I wanna get something new  
Something so true  
It's in you  
It's my desire please lift me higher  
Hide me from my self  
Hide me in your heart  
I'm falling from your love  
If I'm falling let your grace find me  
And bring me back to you  
May your spirit come consume  
Even though I don't deserve you  
That's what I want

I wanna see your face  
I wanna eyes, and I look at you  
Staying with you everywhere I go  
Being with you every everyday I live  
I want to know, Oh I want to know you  
Staying with you everywhere I go  
Staying with you Night and day  
I wish to know you Oh I wish to love you lord
